**Jaster-Quintanilla Promotes John J. Hoenig, P.E.
to Associate in its Dallas Office**

Dallas, TX, February 5, 2008 – Jaster-Quintanilla (JQ) has promoted Mr. John J. Hoenig, P.E., to Associate in its Dallas office, according to JQ Principal and Partner, Mr. Tom Scott, P.E., LEED® AP.

Says Scott, “John has been an invaluable member of the JQ team. We’re proud to recognize him with this well-deserved promotion.” Hoenig joined the Dallas office of JQ in July 2000.

As an Associate and Structural Team Leader, Hoenig is responsible for structural building design, coordination for the production of contract documents, and management of a structural team at JQ. Hoenig has been involved in a number of high-profile projects, including the Trinity River Audubon Center, the Cedar Hill Government Center, and the Richland College Science Labs, Central Plant Expansion and Parking project with the Dallas Community College District.

A graduate of Texas A&M University with a Bachelor of Science in civil engineering, Hoenig is a member of American Institute of Steel Construction and the U.S. Green Building Council.

About Jaster-Quintanilla (JQ)

Founded in 1984, Jaster-Quintanilla (JQ) provides structural and civil engineering and surveying services for the built environment throughout Texas and the Southern United States. Over twenty years of consistent performance has brought JQ to the forefront of engineering design. As one of the top five engineering firms in Texas, JQ was named to ZweigWhite’s prestigious “Hot Firm 2007” list recognizing the nation’s Top 200 Fastest Growing A/E/P and Environmental Consulting Firms. JQ has offices in Austin, Dallas, Fort Worth and San Antonio. For more information, visit the company’s website at: www.jqeng.com
